

Thank you for using the 2021 Guide to Burbank. Your support and patronage helps to keep our members and community strong.

The Guide is in an Adobe PDF format and as such is best viewed through Adobe's Acrobat Viewer. The Viewer is free and is available [here](#).

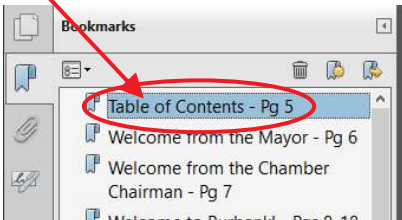

The Acrobat Viewer has several search functions which will make it easy to navigate the pages.

(See below for location of search functions)

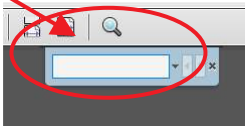

**1. Page Search:** Simply type in the page number and Acrobat will take you to the corresponding page

**2. Table of Contents:** Click on any item in the table of contents and you will be taken to that section. (if the table of contents is not visible please click the ribbon  to open it).

**3. Find Tool:** Click the magnifying glass and the find window will pop up. Type in the information you want to find and hit enter.

If you do not wish to download Acrobat Reader, You can view The Guide in your web browser (Internet Explorer, Chrome, Firefox, Edge). The functionality will be a bit different. The Page search will be available at the top left of your browser window. The table of contents WILL NOT be available. The find function can be activated by typing "CTRL F"

Thank you again for selecting to use the Burbank Chamber's Guide to Burbank. Please browse and click the ads to our advertisers. There is a lot to see and do in Burbank. We are a strong community. With the Guide, it's all here at your fingertips.
